DECLARATION OF PRINCIPLES

BY THE

Supreme Council of Sovereign Grand Inspectors General
Ancient Accepted Scottish Rite of Freemasonry
For the Northern Masonic Jurisdiction of the
United States of America

This Supreme Council reaffirms its unswerving loyalty to the fundamental purpose of Freemasonry, which purpose from time immemorial has been to improve and strengthen the character of the individual man, and through the individual, the character of the community, thus undergirding the community with those spiritual values which give it strength and stability.

This Supreme Council believes that this purpose is to be attained by laying a broad basis of principle upon which men of every race, country, sect and opinion may unite.

Believing that good and true men can be trusted to act well and wisely, this Supreme Council considers it the duty of the Fraternity to impress upon its members the principles of personal righteousness and personal responsibility, to enlighten them as to those things which make for human welfare, and to inspire them with that feeling of charity, or well-wishing, toward all mankind which will move them to translate principle and conviction into action.

To that end Freemasonry teaches a belief in God and faith in His divine purposes. It encourages the worship of God in conformity with the dictates of individual conscience. It stands for truth and justice, liberty and enlightenment, fraternity and philanthropy.

This Supreme Council expects of its members strict obedience to the laws of the land, and respect for their country's flag.

Such principles unite men and encourage the pursuit by them individually and collectively of worthy endeavors and the attainment of the purposes inherent in them. In that unity human character achieves its highest unfolding and provides man's best hope for peace on earth and good will among men.

To the furtherance of these principles, all our ritual is directed and all our efforts are aimed. To their furtherance each Master Mason has pledged himself, and at the portal of the Scottish Rite has renewed that pledge.

This Supreme Council discountenances and rejects any attempt by any international groups or confederations of Scottish Rite Supreme Councils to legislate for individual Supreme Councils.

Recognizing that principles unite men, that programs sometimes divide them, and that the preservation of unity of purpose and devotion to principle is essential to Freemasonry, the Supreme Council affirms its continued adherence to that ancient and approved rule of Freemasonry which forbids the discussion within tiled doors of creeds, politics, or other topics apt to excite personal animosities.

This Supreme Council further affirms its conviction that it is not only contrary to the fundamental principles of Freemasonry, but exceedingly dangerous to its unity, strength, usefulness and welfare for Masonic Bodies in their official capacity to take formal action or attempt to exercise pressure or influence for or against any particular legislative project or proposal, or in any way to attempt to procure the election or appointment of Governmental officials, whether executive, legislative or judicial, or to influence them, whether or not members of the Fraternity, in the performance of their official duties.

The Scottish Rite of Freemasonry is one of two branches of Freemasonry to which a Master Mason may proceed after he has completed the first three Degrees in the Symbolic or "Blue Lodge". The Scottish Rite includes the degrees from the 4th to the 32nd. Although there are many Scottish Rite Members of Scottish ancestry, the Scottish Rite actually originated in France in the early 18th century. During the 18th century, lodges were organized in the United States with the first Scottish Rite Supreme Council founded in Charleston, South Carolina, in 1801.

The Northern Masonic Jurisdiction was formed in 1867 and includes 15 states east of the Mississippi River and north of the Mason-Dixon Line and the Ohio River, including Delaware. The Southern Jurisdiction encompasses the 35 remaining states, the District of Columbia and the United States territories and possession. The Northern Jurisdiction officially recognizes and enjoys friendly relations with many other jurisdictions around the world.

Scottish Rite shares the same belief of all Masonic organizations that there is no higher degree than that of a Master Mason. The Supreme Council and its subordinate bodies acknowledge the Masonic supremacy of the Symbolic Grand Lodges and Grand Masters within their jurisdictions. Scottish Rite serves to elaborate on and amplify that of the Symbolic Lodge.

The Scottish Rite degrees are lessons taught through allegory in the form of plays. The lessons are taken from Biblical as well as more modern historical events. Cast members use costumes and makeup to look like the characters who they represent. Candidates learn the lessons by observing the presentation. Memorization of material presented is not required. The Scottish Rite is open to all Master Masons in good standing.

The 33rd degree is conferred annually, a the meeting of the Supreme Council, upon a select number of 32nd Scottish Rite Masons who have contributed outstanding service to Freemasonry of Man under the Fatherhood of God. A recipient must be at least 33 years of age and may not apply for the degree.

Scottish Rite members meet in local or regional "Valleys" and are organized into four parts: Lodge of Perfection, 4° - 14°, Council Princes of Jerusalem, 15° - 16°, Chapter of Rose Croix, 17° - 18° and Consistory, 19° - 32°. Some individual Valleys do not contain all four bodies.
