DECLARATION OF PRINCIPLES

BY THE

Supreme Council of Sovereign Grand Inspectors General
Ancient Accepted Scottish Rite of Freemasonry
For the Northern Masonic Jurisdiction of the
United States of America

This Supreme Council reaffirms its unswerving loyalty to the fundamental purpose of Freemasonry, which purpose from time immemorial has been to improve and strengthen the character of the individual man, and through the individual, the character of the community, thus undergirding the community with those spiritual values which give it strength and stability.

This Supreme Council believes that this purpose is to be attained by laying a broad basis of principle upon which men of every race, country, sect and opinion may unite.

Believing that good and true men can be trusted to act well and wisely, this Supreme Council considers it the duty of the Fraternity to impress upon its members the principles of personal righteousness and personal responsibility, to enlighten them as to those things which make for human welfare, and to inspire them with that feeling of charity, or well-wishing, toward all mankind which will move them to translate principle and conviction into action.

To that end Freemasonry teaches a belief in God and faith in His divine purposes. It encourages the worship of God in conformity with the dictates of individual conscience. It stands for truth and justice, liberty and enlightenment, fraternity and philanthropy.

This Supreme Council expects of its members strict obedience to the laws of the land, and respect for their country's flag.

Such principles unite men and encourage the pursuit by them individually and collectively of worthy endeavors and the attainment of the purposes inherent in them. In that unity human character achieves its highest unfolding and provides man's best hope for peace on earth and good will among men.

To the furtherance of these principles, all our ritual is directed and all our efforts are aimed. To their furtherance each Master Mason has pledged himself, and at the portal of the Scottish Rite has renewed that pledge.

This Supreme Council discountenances and rejects any attempt by any international groups or confederations of Scottish Rite Supreme Councils to legislate for individual Supreme Councils.

Recognizing that principles unite men, that programs sometimes divide them, and that the preservation of unity of purpose and devotion to principle is essential to Freemasonry, the Supreme Council affirms its continued adherence to that ancient and approved rule of Freemasonry which forbids the discussion within tiled doors of creeds, politics, or other topics apt to excite personal animosities.

This Supreme Council further affirms its conviction that it is not only contrary to the fundamental principles of Freemasonry, but exceedingly dangerous to its unity, strength, usefulness and welfare for Masonic Bodies in their official capacity to take formal action or attempt to exercise pressure or influence for or against any particular legislative project or proposal, or in any way to attempt to procure the election or appointment of Governmental officials, whether executive, legislative or judicial, or to influence them, whether or not members of the Fraternity, in the performance of their official duties.

TO THE MEMBERS OF THESPRING CLASS OF 1993--

We are proud and happy to welcome you into our membership. In joining with us you have added your strength to our cause and with your help our forward movement will continue. The hand of fraternal friendship and good-will is extended to you as you now join the Keystone Scottish Rite Masons in the Valley of Scranton.

The lessons you will see portrayed, the good fellowship, the many new friends, are part of the experience you will cherish of this occasion. You may be impressed with the large number of brethren taking part. They are men from all walks of life and every profession. They meet on the common level of service in Scottish Rite Masonry. Perhaps you feel that you would enjoy such activity. If so, there is a place for you. Talents and skills of every variety are needed. Offer your help and share with these active brethren the fellowship and satisfaction that is the reward for participation among us.

TO OUR VISITORS AND GUESTS --

A cordial welcome is extended to you as you honor us with your presence. If you are here for the first time, we invite and urge you to make yourself known to as many of our officers and members possible that we may strengthen our acquaintance. All our officers will be wearing a Yellow Cap.

TO OUR MEMBERS --

Your presence here tonight during our reunion is most essential to our success. A good attendance inspires our degree personnel to put forth their best effort. You also have the opportunity to review and renew the lessons taught in our degrees. You profit physically, mentally and spiritually by the relaxation of a day or two away from the press of everyday labors. Certainly no one can discount the benefits of rededication ourselves to the vows we made when we are initiated into Scottish Rite Masonry.

TO ALL --

Our sincere desire is that your stay with us is pleasurable, profitable and memorable.

To use this table, multiply the dollar figure in column marked "Life Annuity Factor" by the rate of dues in a particular Valley, i.e., if dues are $25 annually and you seek the rate for a member 56 years of age, multiply $12.06 x $25 and arrive at a life membership cost of $301.50. (Annuity factor is computed in accordance with a Life Insurance Industry's experience table of mortality based on 5 1/2% interest.)
